New Support Plan for E-mail and Telephone Inquiries

For our clients that are not on monthly bookkeeping plans we are now offering a new 'Ask EBS' support plan. This will allow us to better serve our Training Clients and others with the numerous and myriad inquiries we are receiving via e-mails and the phone.

These plans will cover a certain number of 'contacts' regardless of method or duration.

The first plan is \$60 for 5 occurrences while the second plan is \$100 for 10 occurrences. Clients that are not on an 'Ask EBS' plan will incur a fee of \$75 hourly with a minimum per 'contact' of \$25.

Contact your Bookkeeping Specialist or the EBS office to purchase your 'Ask EBS' plan before you need it.
